## ***Things you should know:***

The summer reading program will run for 6 weeks starting June 15th and ending July 24. Although you will pick up take-and-make packets and other materials on the 1st floor of the library, the summer reading program events will not take place at the library this year. Program information will be posted on Facebook and the website, [mglibrary.org](http://mglibrary.org)

Storytime-to-go bundles will be available: 3 themed books, an activity sheet and a hands-on activity. Contact the library to register for weekly bundles.

Reading logs will be completed using Reader Zone (available online at [readerzone.com](http://readerzone.com) or using the app). Use code "fff08" to log your reading. If you need help using the reading logs, please ask a staff member for help. Prizes for completing the reading log will be announced later this summer.
